Approval date : 23/06/2015

Sir/Madam,

With reference to your application No **RCBSHR202000092**, dated **08-07-2020** for the grant of sanction of Revised Commencement Certificate under Section 44 of The Maharashtra Regional and Town Planning Act, 1966 read with Section 189 of the Maharashtra Municipal Councils, Nagar Panchayats and Industrial Townships Act, 1965 to carry out development work / Building on Plot No **FINAL PLOT NO 575**, Revenue Survey No **40**, City Survey No **1849**, mauja **SHRIRAMPUR**, situated at Road / Street **9 M**, Society - the Revised Commencement Certificate / Revised Building Permit is granted under Section 45 of the said Act, subject to the following conditions :

- 1) Due to this construction, in the development plan of the municipality, if any public work is obstructed, the construction will be removed from your expense. There will be no compensation for this.
- 2) As per the plan approved by the plant till completion and should be done as per the given conditions
- 3) If any of the construction is not done without prior permission, the permission will be deemed to have been canceled.
- 4) If there is any further detail about additional construction or sanctioned plan, legal proceedings will be taken in accordance with the provision of Maharashtra Regional and Town Planning Act 1966 and Maharashtra Act 1965.
- 5) The building should not be used in light-cast material, grass pasta etc.
- 6) The Construction should be completed as per commencement certificate
- 7) Use of built land should be done for commerce only with resident / commercial / residential residents as per approved map
- 8) Under this certificate is carried out or the use there of is in accordance with the sanction plans.
- 9) The Commencement Certificate/ Building permit shall remain valid for a period of one year commencing from the date of its issue.
- 10) The plinth of the building should not be less than 3 feet above the level of the road. Plinth height should be as per rule.
- 11) If the construction is not completed in time, increase the permission limit. Increase the deadline for extension. If the extension is not extended, then the permission has been canceled.
- 12) The construction carried out by me does conform to the sanctioned plans.
- 13) To get into the house, cover the drainage of the municipality; take the permission of the municipality regarding the dashboard width so that the work should be more than 3 feet long.
- 14) The applicant will be responsible for complying with the terms and conditions of this
- 15) For the construction of the building, according to the estimates made by the Town Council of the architects / engineers of the builder, the estimate of Rs. If this happens, then 1% Worker welfare cess Rs. Cash receipt no. As per Dated: According to the construction permission you are being given.
- 16) The applicant will remain solely responsible for the development of the area and the changes in the designs of the Town Planning and also if there are some court disputes related to the area of ownership and ownership of the plot.
- 17) For rainwater harvesting, it is not possible to carry out the drainage system.
- 18) After completion of the construction of the building, after installation of lightning conductor, there will be no proof of construction completion certificate.
- 19) Considering the use of hot water, the solar energy plant should be installed, since the building is being used for residential / commercial purposes.
- 20) The construction that you do as per its permission is earthquake-resistant. With the guidance of Structural Engineers, submit it to the Municipal Council. After this, the completion certificate will be issued.
- 21) Do not put any type of material required for building construction on the road of Municipal Council. Keep the prior

Report on Fire Safety Awareness Program at Seva Nursing College, Shrirampur – 2025

Date: Saturday, 15th January 2025

Time: 12:00 PM

Venue: Seva Nursing College, Shrirampur

Organized by: Seva Nursing College

Conducted by: Government-Approved Fire Safety Experts

Introduction:

On Saturday, 15th January 2025, Seva Nursing College, Shrirampur, conducted an important Fire Safety Awareness Program for both students and staff. The event was organized by the college to ensure that everyone is well-informed and prepared in case of a fire emergency. The session was conducted by a team of government-approved fire safety experts who provided comprehensive knowledge about fire prevention, safety measures, and how to respond in case of a fire. This program aimed to equip all attendees with the skills and awareness needed to handle fire-related emergencies effectively.

Objective:

The main goal of the Fire Safety Awareness Program was to:

1. Educate students and staff on the potential fire hazards in the college environment.
2. Provide training on the proper use of fire safety equipment such as fire extinguishers, fire alarms, and emergency exits.
3. Raise awareness about the importance of fire drills and emergency preparedness.

Program Overview:

The fire safety experts conducted a well-structured session that covered the following key points:

1. **Fire Prevention:**
The experts began the session by explaining the importance of fire prevention. They discussed common fire hazards, such as faulty electrical wiring, the improper handling of flammable materials, and the importance of regular maintenance checks to avoid fire risks.
2. **Emergency Response Procedures:**
Students and staff were given detailed instructions on how to respond in case of a fire emergency. This included understanding the fire alarm system, how to evacuate safely, and the importance of remaining calm during such situations.
3. **Use of Fire Extinguishers and Fire Safety Equipment:**
The experts demonstrated the proper use of fire extinguishers and other fire safety equipment. Students and staff were shown how to operate a fire extinguisher using the

PASS method (Pull, Aim, Squeeze, Sweep), which is essential in managing small fires effectively.

4. Fire Evacuation Drills:

The session emphasized the importance of fire evacuation drills. Attendees were informed about the designated evacuation routes and assembly points within the college. The fire safety experts stressed that regular drills are crucial in ensuring everyone knows what to do during an emergency.

5. First Aid for Fire Injuries:

The experts also covered basic first aid tips for fire-related injuries, such as treating burns and handling smoke inhalation. They highlighted the importance of immediate action and seeking medical help in case of severe injuries.

Participation:

The Fire Safety Awareness Program was attended by a large number of students and staff, including faculty members and non-teaching staff. All participants were actively engaged in the session, asking questions and learning the practical aspects of fire safety. The hands-on demonstration of using fire extinguishers was particularly appreciated by the attendees, who gained confidence in handling such equipment in case of an emergency.

Role of College Leadership:

Principal Ajumuddin Shaikh Sir and other members of the college leadership actively supported the program, emphasizing the importance of safety and preparedness. The presence of the college management further highlighted the significance of this initiative and the commitment to the well-being of all students and staff.

Conclusion:

The Fire Safety Awareness Program at Seva Nursing College was an informative and highly beneficial session. It equipped students and staff with essential knowledge and practical skills to prevent, manage, and respond to fire-related emergencies. The interactive demonstrations, coupled with expert advice, ensured that the attendees gained valuable insights into fire safety.

Seva Nursing College remains committed to providing a safe learning environment for all its students and staff, and this fire safety program is a crucial step toward fostering a culture of safety and preparedness. The program concluded with a vote of thanks, and participants were encouraged to apply their newfound knowledge in their daily lives.
