FIRE SAFETY DRILL DAY: 14.04.2025

Report on Fire Safety Awareness Program

1. Introduction

A Fire Safety Awareness Program was successfully conducted at **Seva Nursing College, Shrirampur** with the objective of educating students and staff about fire prevention, safety measures, and emergency response. The program aimed to enhance awareness and preparedness in case of fire-related emergencies within healthcare and institutional settings.

2. Programme Details

- **Date:** 10 December 2025
- **Time:** 2:00 PM
- **Venue:** Seva Nursing College, Shrirampur
- **Organized by:** Seva Nursing College, Shrirampur
- **Conducted by:** Government Approved Fire Safety Expert

3. Programme Overview

The Fire Safety Awareness Program was designed to provide both theoretical and practical knowledge on fire safety and emergency preparedness. The programme focused on **fire prevention**, including identification of potential fire hazards and measures to prevent fire incidents in institutional and healthcare settings.

The session also covered **emergency response procedures**, emphasizing immediate actions to be taken during a fire emergency, alert systems, and coordination among staff and students. Detailed guidance was given on the **use of fire extinguishers and fire safety equipment**, including different types of extinguishers and their appropriate applications.

Additionally, the importance of **fire evacuation drills** was explained, highlighting safe evacuation routes, assembly points, and orderly movement to prevent panic and injuries. The programme further included information on **first aid for fire injuries**, such as management of burns, smoke inhalation, and immediate care until medical help is available.

Overall, the programme aimed to enhance awareness, preparedness, and confidence among participants to effectively handle fire emergencies and ensure safety within the campus.

4. Key Topics Covered

- Basics of fire and common causes
- Types of fire and appropriate fire extinguishers
- Fire prevention methods in healthcare institutions
- Safe evacuation procedures
- Do's and Don'ts during fire emergencies
- Importance of regular fire drills

5. Demonstration and Interaction

The fire safety expert demonstrated the correct use of fire extinguishers and explained various safety devices used in fire control. Students and staff actively participated in the session and clarified their doubts regarding fire safety practices. The interactive nature of the program helped participants gain confidence in handling emergency situations.

6. Participation

Students, teaching staff, and non-teaching staff of Seva Nursing College attended the program. The participants showed keen interest and actively engaged throughout the session.

7. Conclusion

The Fire Safety Awareness Program was informative, practical, and highly beneficial. It helped create awareness about fire hazards and safety measures, emphasizing the importance of preparedness in emergency situations. The program successfully met its objectives and contributed to building a safer institutional environment.
